

VIENTO 200 R404A

Simple, road-only unit
For delivery vans

Road condenser weight

20 kg

Benefits

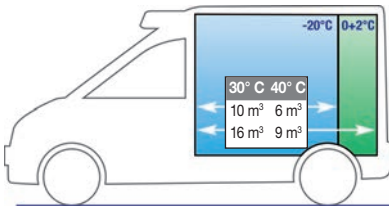

Reliable
Simple
Versatile

Sound power Lwa

85 dB

Evaporator Weight

MZS 600 : 15 kg

VIENTO 200 R404A

ATP - Certificate n°		M 843
Evaporator		MZS 600
Capacity on road at 2400 rpm		
0°C/30°C	W	1980
-20°C/30°C	W	1260
Capacity on road at 1000 rpm		
0°C / 30 ° C	W	1810
-20°C / 30 ° C	W	990
Airflow		
(AMCA 21085)	m³/h	760
Heating Capacity		
Heating system 18°C/-18°C	W	1000

Standard equipment

- Available in 12 or 24 VDC

(S model)

- Fresh and frozen application with oil separator , hot gas defrost and liquid injection for high ambient temperatures applications

(T model)

- Fresh and frozen application with oil separator, hot gas defrost and hot gas heating for low ambient temperatures applications

Road compressor

Model	Carrier 130 / SDS H09	
Nb of Cylinders	5	
Displacement	cm³	87

Refrigerant

Type	R404A	
Charge	kg	0,85

Sound pressure

High speed	dBA	57
------------	-----	----

Accessories or options

- Roof-mount or roof-cut installation
- Road compressor mounting kit
- Road compressor
- Remote evap installation
- DataCOLD for temperature record only
